

☞ Acts 2:1 "When the day of Pentecost arrived, they were all in one place." Notice that Pentecost is actually an Old Testament festival; it happens around the time when the wheat and oats are ready to be brought in. In the New Testament this becomes a picture and foreshadowing of the great harvest of humankind that God means to bring in through the preaching of His Word. God gives the seed, and brings about the harvest -- through the work of His Church.
